Добро пожаловать в Россию!
Интернет и SMS в роуминге временно ограничены на 24 часа по требованиям безопасности. Вы можете снять все ограничения прямо сейчас. Для этого перейдите по ссылке ниже.
<https://balance.beeline.ru/guest/>

欢迎来到俄罗斯！出于安全原因，您的漫游服务将暂时受限24小时。如需立即恢复完整访问权限，请通过下方链接完成身份验证。操作前请先关闭Wi-Fi和VPN。
<https://balance.beeline.ru/guest/>

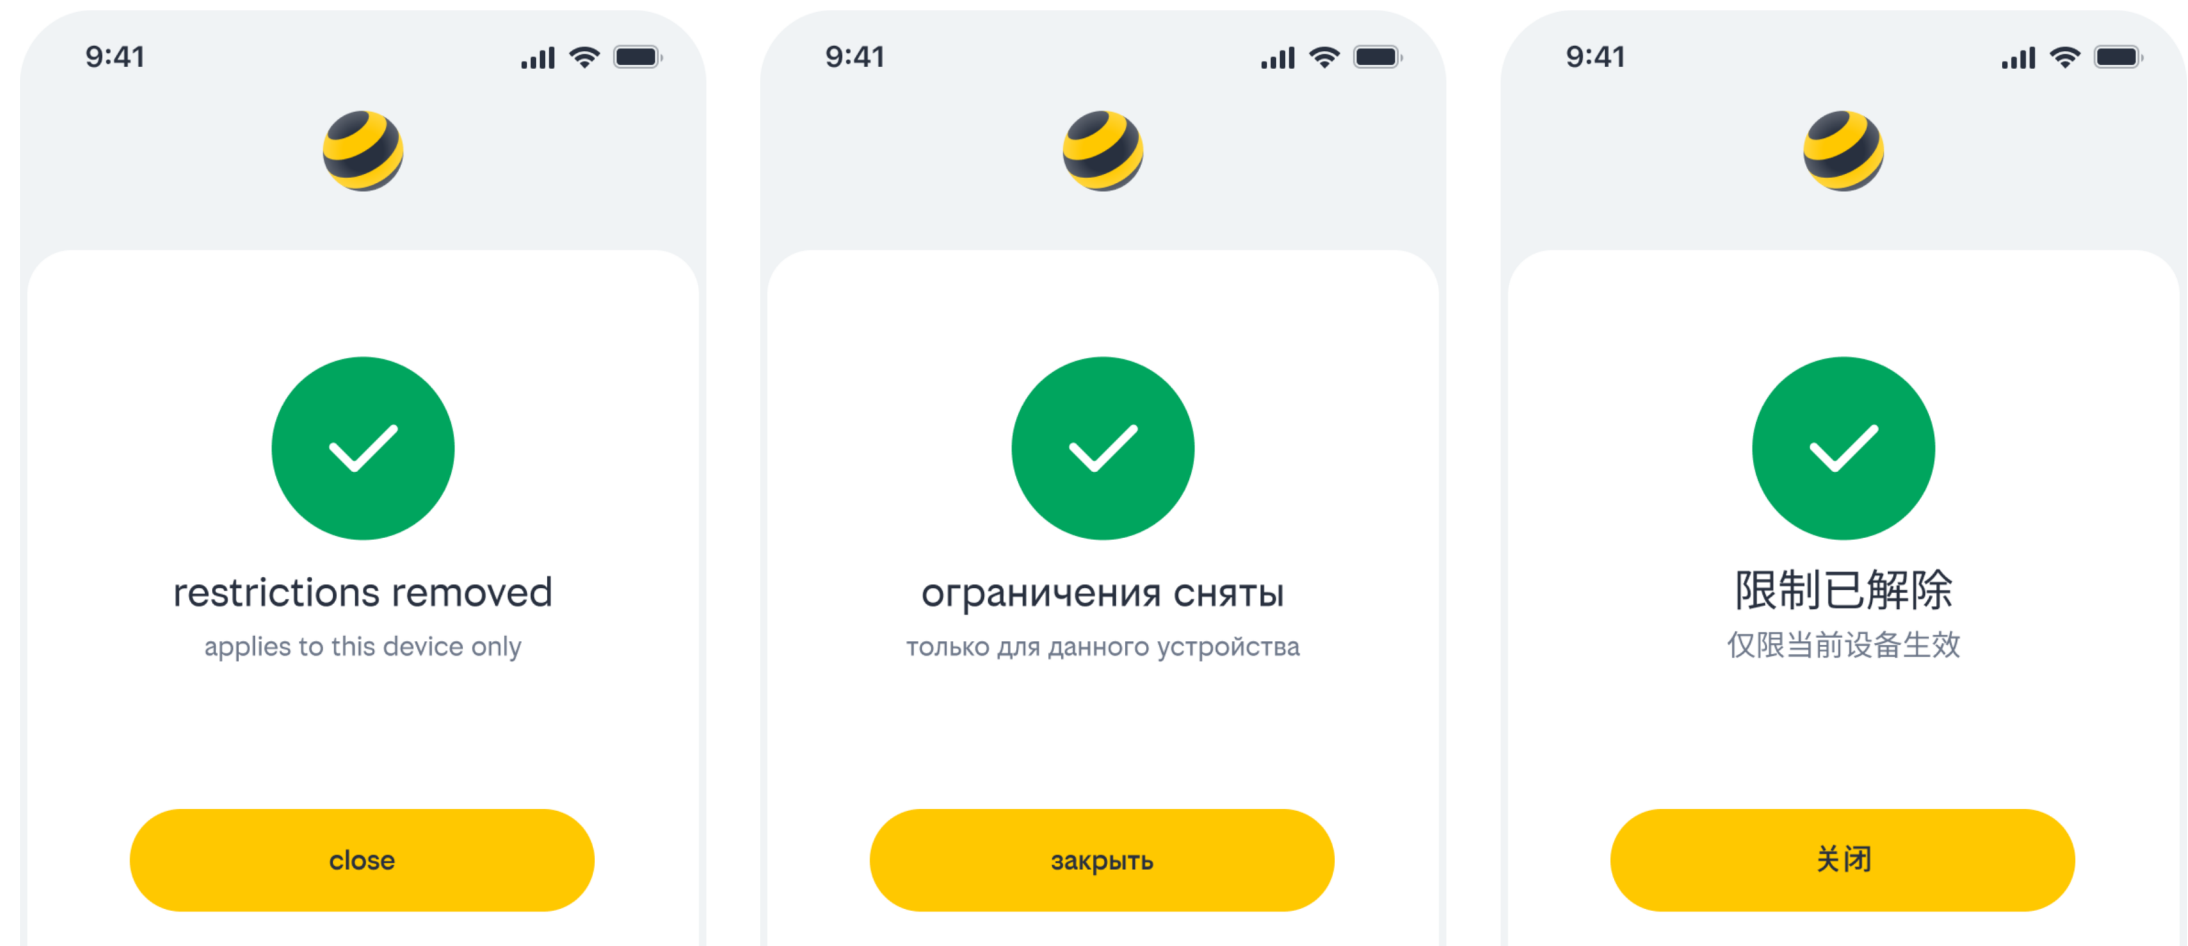

- 5 Click on the “Remove restriction” button

- 6 Take a simple test and enter five digits you will see on your screen

- 7 If you pass the test successfully the restrictions will be removed

- 8 You will receive a confirmation via SMS

All roaming services are available now. Please switch airplane mode on and off to ensure all services are restored properly.

Все роуминговые услуги снова доступны. Пожалуйста, включите и выключите авиа режим для надежного восстановления сервисов.

所有漫游服务现已恢复可用。请先开启飞行模式，然后关闭飞行模式以恢复正常服务。

- 9 You may now start using Internet and SMS

Please note:

- All visitors are subject to the 24-hour restriction period of Internet and SMS upon arrival to Russia;
- In order to lift the restrictions immediately you shall follow the instructions above;
- If you leave Beeline network for 72 consecutive hours, you will be subject to another 24-hour Internet and SMS restriction, only Voice service will be available during this period;
- Captcha test is now available across all regions of Russia;
- Captcha is introduced in English, Chinese and Russian languages.
